

ALUKA SERIE 7000

REGALE ALUMINIUM vous propose sa nouvelle génération de garde-corps aluminium, une solution idéale pour une meilleure résistance à l'usure et à la corrosion.

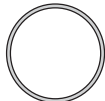

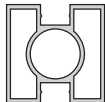

Ses atouts principaux résident dans la conception technique de ses fixations et de ses liaisons d'assemblage.

Ces accessoires en aluminium lui confèrent une extrême facilité de mise en oeuvre et un design très apprécié.

Profilés

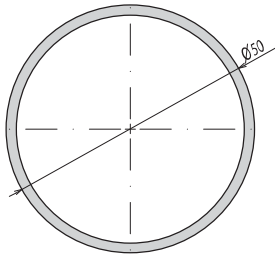

Profilés	Réf.	Désignation	Inertie IX cm ⁴	Inertie IYcm ⁴
	R50x2	Rond 50 x 2	8,7	8,7
